MANY UPDATES

As we look to what 2011 may bring we are thankful for what we received in 2010. New landscaping dedicated in memory of Rich Hoveland- Thank you. The many improvements our volunteer maintenance crew finished- new ceiling tiles, updated lights, groundwork for a new storage shed, landscaping, many refinements and clean up- Thank you. One of the most noticeable improvements is the new carpet. This was possible through the hard work Casie does day in and day out to book rental events- we had a good 2010 and hope to continue this into 2011! Thank you Casie. Of course none of this would be possible without the diligent work of The Club's Board of Directors- Thank you for the great year!

ALL ARE WELCOME AT THE SUPERVISORS' CLUB!

Please bring guests with you to Friday member nights, special Sunday Buffets and Seasons Eating's... Everyone is welcome with a member or spouse of a member. If you have questions or concerns please contact us. (Please limit Business meeting dates for members only unless specified- thank you)
